May 16, 2025

Dear Muhammad Abubakar Aftab,

You are invited to participate in the Forty-Second International Conference on Machine Learning. The Tutorials, Conference, and Workshops will take place Sun. Jul 13th through Sat the 19th, 2025 at the Vancouver Convention Center, Vancouver, CA. The Immigration, Refugees and Citizenship Canada Special Event Code for this event is: 25ICML. These dates do not include travel time.

On behalf of the organization committee, we have the pleasure to invite you to attend the conference. ICML is the leading international machine learning conference. It is extraordinarily interdisciplinary, with contributions from many intellectual communities united by a common interest in the study of machine learning. Regularly updated information of the conference, the schedule, and the facilities is available at <https://icml.cc/>. Your presence and contribution would be highly appreciated.

The International Conference on Machine Learning is the leading international machine learning conference. A detailed schedule of events and other information can be found at <https://icml.cc>

All participants are ultimately responsible for all expenses related to the conference and are solely responsible for obtaining any required travel Visas to the host country. We authorize that this electronic version of the invitation letter can be used for visa purposes.

Sincerely,

Kilian Q. Weinberger

Terri Auricchio
